REMARKS

Applicants have received and reviewed the Office Action dated March 26, 2010. By way of response, Applicants present the accompanying drawings.

The Examiner objected to the drawings asserting that the text of Figure 2 is too small to be clearly legible. Applicants submit herewith an enlarged copy of Figure 2 in which the text is clearly legible.

The Examiner also noted that the descriptions of Figs. 2 and 4 reference color Figures, while the figures provided were in black and white. Applicants submit herewith Figures 2 and 4 in color, the petition requesting acceptance of these color Figures, and payment of the appropriate fee.

Other Topics Raised in the Office Action

An Amendment and Response submitted electronically even date herewith addresses the other matters raised in the Office Action dated March 26, 2010 and provides payment for the extension of time for response. Thus, Applicants' response to this Office Action is complete.
